Dear Don Macey,

I shall feel grateful if you will kindly let me have some particulars regarding young Henry Vincent Knight. Please tell me if there is any prospect of his becoming a lay brother in our congregation, or what may be the real obstacles in the way. I should like to know if he is in any way clever in his trade; and if his lameness is very noticeable. Of course if he is very lame he might be allowed to make private vows (provided he be otherwise worthy). Kindly inform him that I received his letter and that I shall reply later on.

Hoping things are going on well and wishing you every success and blessing believe me always, dear don Macey,

Yours very sincerely in Xto.
