## SALESIAN MISSIONARY INTENTION

IN THE LIGHT OF THE HOLY FATHER'S PRAYER INTENTION

# For vocations to Salesian life.

So that the Lord of the harvest may send numerous holy vocations to become Salesian Brothers and priests at the service of youth.

*Young people need consecrated Salesians, friends, brothers and fathers, who serve full time and with all their heart. We pray that the testimony of Salesians and communities may be meaningful and fascinating for the young, and that the pastoral care in the Provinces may present the beauty of religious consecration to the young people of today.*
