DBCF No. 2

YEAR 2009

April - June

Message from the DBCF Director

June is the month that the Church dedicates to the sacred Heart of Jesus.

We celebrate the feast on Friday, June 19. The day has extra significant this year because it began what Pope Benedict XVI has proclaimed as the Jubilee Year of the Priests. In Cambodian culture, "heart" indicates the center of the person, where his sentiments and intentions dwell. This feast, therefore, reminds all people especially priests of the compassionate love of Jesus, that is, the love of God incarnate in Jesus and that is manifest in the priesthood. Can I count on you to make an effort to help the Salesian Society continue the beautiful tradition of praying for priests?

Thank you,
Father Leo, SDB

DBCF produces successful Young lives in Cambodia

DBCF wishes to thank many dedicated sponsors for the scholarship program for elementary graduates for on-going studies. With this program, youngsters who have demonstrated potential and ambition, were give opportunities for high school, vocational courses and college education. Many of you supported this on-going studies. Your donation had helped provide tuition fees, books, supplies, boarding expenses for many grateful students. The hope is that they can better themselves and their families.

Volunteers and Commitment in DBCF Movement

What is typically Salesian is the movement of people who share their love, time and experience in coordinating so that children go and remain in schools. Above all, they have an interest in the promotion of children and in being a strong role model and a desire to make a difference in their communities. Everyone has a calling in life... Is God calling you to become a member of the Salesian Family, as a Priest, Brother, Sister, Lay Cooperator, or Lay Missioner or Volunteer? Learn how to become a part of the Salesian Family and to organize new approaches and new initiatives for the education of youth!

DBCF New Strategy on the move!

Working together to create a safe environment for our Children- a program based on the concept of Human Rights and Preventive System. Join us to visioning in "Creating safe environments in Don Bosco presences" as "strategy of protecting God's children". Don Bosco told his collaborators that "it is not enough for the young to be loved. They must know that they are loved."
